Greenville, SC 29615

Have you ever...

- Been concerned about a loved one's drinking or drug use?
- Tried to convince your loved one to stop using alcohol or drugs?
- Asked your loved one to seek professional help?
- Lost sleep worrying about your loved one's drinking or drug misuse?
- Felt like your loved one's alcohol & drug use has interrupted your life?

Come to the Family Support Group and learn about...

- The disease of addiction
- How families are impacted by the disease
- Social, emotional and spiritual consequences for families of long term exposure to addiction
- Developing coping skills & strategies for family members of loved ones with addiction
- Intervention strategies
- How recovery can begin for the addict & family members
- The recovery process & 12 Step support
- Supporting yourself and your loved one's recovery
