EXIT

- THE THREE TRANSITIONS**
1. An individual author should take their personal ownership responsibility upon D&B entry.
 2. An existing partner team to help you create collectively as a team that is the most representative of your group circumstances. Your author can help facilitate this process. They do not partner. They are not responsible for it. Responsibility is a choice for the author.
 3. Each group should be responsible to ensure that the author is able to complete the D&B in a timely manner.
