Bring your family and friends to join in this celebration of Recovery and Hope. We hear much in our society about daily losses from addiction and mental health issues. The Hope Runs for Recovery event brings light to the truth that recovery from these issues is possible and happens on a large scale every day! The 5k Walk/Run will be held on the beautiful Irwin Creek Greenway. The entry at Clanton Park will be the setting for an after-party celebration with a live band, food, and give-aways by recovery supporters and providers in our community.

Proceeds benefit the Herren Project and the Emerald School of Excellence.

We look forward to seeing you there!
