Pavillon Alumni Support Groups are free and open to Pavillon Alumni, their friends, and family. PSG’s are a safe place for Pavillon Alumni to gather, share, support, and bond with one another through any struggles great or small.

The groups primary purpose is to help newcomers get informed about and plugged into what the local recovery communities (AA, NA, Al-Anon, etc.) have to offer. Our “seasoned alumni” have valuable information about their local recovery communities which can help the newcomer in his/her early and continued life of recovery. Plus, it’s just fun to get together! If you have questions about the PSG in your town, or would like to start a new PSG where none exist, contact Alumni Services. 828-694-2300
